 **Clerk**  
This form 43B8B personally requires The Mayors signature. He's probably in his office.

Seems a bit inefficient to have The Mayor stamp everything personally?

Did I tell you I am a poet? I might write a poem about getting the form stamped.

A very short adventure game that has a Mighty Boosh style of humour, I've never seen it on sale, but I'd say it's worth the full price. Don't look at any videos or screenshots since it's so short -- everything will be a spoiler.
